

REBATE OFFERS

(Rebates only apply for replacements)

To Apply for Govt. Grants you must have an Energy Audit done. The Audit costs \$315.00 (including tax) for the first visit. You will be issued a rebate from them in the amount of \$150.00 which will cover the cost of the second visit. Note: Auditor must come before and after installation. Cambridge Heating & Cooling will set up the appointment for you and do all the necessary paper work for other rebates at no charge!
